## COVID-19 Visitor Wellness Check Survey

The safety of our employees, supplier partners, customers, families and visitors remain San Benito County Office of Education's overriding priority. As the coronavirus disease 2019 (COVID-19) outbreak continues to evolve and spreads globally, SBCOE is monitoring the situation closely and will periodically update guidance based on current recommendations from the Centers for Disease Control, State and local agencies.

To prevent the spread of COVID-19 and reduce the potential risk of exposure to our workforce and visitors, we are conducting a simple screening questionnaire. Your participation is important to help us take precautionary measures to protect you and everyone in this building. Thank you for your time.
